THE CHRISTMAS TRADE.

What can be Seen in the Stores—Suggestions to Shoppers.

As Christmas approaches the throngs of shoppers increase in number. A stroll through the business streets at this time affords much pleasure, for the store windows are filled with most attractive displays of goods and on every hand are scenes of animation. The merchants of the city spread before their customers a bewildering and tempting array. Wise people consult the advertising columns of The Star before going upon shopping tours and thus get well posted in advance as to the places where they will find what they want. The Star also aids its readers by publishing notices from day to day of the mercantile establishments where goods of the best quality and at reasonable prices can be found.

THE PALAIS ROYAL, corner of 12th and Pennsylvania avenues, has prepared an exposition of holiday goods, comprising every novelty and necessity of the season in the line of ladies' and gentlemen's furnishings goods, including extensive stock of the most exquisite articles of jewelry for Christmas presents. The Palais Royal, always what its name implies, is at this season of the year a place of surpassing interest and should be visited as one of the features of Washington by the almost every city. It is distinguished not less by the quality of its goods than by the charm of its appointments. In gloves, handkerchiefs, jewelry, umbrellas, hosiery, and every other article, writing tables, vases, bric-a-brac and innumerable articles by the Palais Royal exposition of the world's fair all the Parisian people in search of presents will find almost everything that is new and of the highest quality. It is a place where you can find something to suit any taste. It is surprising what beautiful things can be bought for little money.

Christmas is the time of the year of a hand-some panel car which The Great Atlantic and Pacific Tea Company give with one pound of tea, two pounds of coffee or one pound of baking powder. This offer is only open until the 25th of December. The car is a beautiful one, and a Christmas present at the same time had best be accepted at once. This establishment has stores at 501 and 503 12th street, 1620 14th street and 3104 M street, Georgetown.

STREET port grape wine is a table luxury fit even for Christmas time. It is old and rich in body.

Diamonds. There is a present for your wife or daughter. R. HARRIS & CO., 432 7th street, have many numbers of these precious jewels. Ear rings, rings, etc., are to be found here in ever varying shapes and fashions.

It usually seems sometime during the holidays and everybody needs good thick shoes. The 6th of the month is the best time to get a man a pair of comfortable and tasteful slippers? So there is every inducement to make a call at 722 7th street and look over J. B. HARRIS' stock of slippers.

Two hundred and nine Pennsylvania avenue is a center for hats, and what is better the goods are sold at one-half the usual prices. Plain figures and one price are the mottoes of the establishment.

Handsome presents are what you want to get, and if at the same time you can secure a bargain why so much the better. If you really wish to effect this combination why take a glance at the varied assortment at S. W. Anderson's, 819 and 821 Pennsylvania avenue. Above warranted perfect stones and extraordinary values.
